Carl Burroughs Mark III

No sooner had we reported on the liquidation of Carl Burroughs' second company named Integrated Dental Marketing Pty Ltd and were wondering whether another company of that name would rise from the ashes, than an alert reader drew our attention to yet another company; this one called Integrated Dental Pty Ltd, ACN 118 850 427.

Integrated Dental was previously known as The Photoshop Corporation Pty Ltd, and changed its name on 3 May 2011, the day before a liquidator was appointed to Integrated Dental Marketing Pty Ltd! Its directors are Carl Burroughs and Simon Taylor. It has 100 x \$100 shares. We note that whilst Simon Taylor holds his 50 shares beneficially, Carl Burroughs' 50 shares are not beneficially held.
